Results of the Photo Competition - Coastal Agriculture : looking to the past and embracing the future

First Prize : Boreddy Nitish Reddy

1. Bringing the Catch: Fishermen's Journey to Shore.
2. Woman Drying the Catch

Second Prize: Aditya Satish Birkodi

1. "Tending to nature's masterpiece: Farmers cultivate artistry in the paddy fields."

Third Prize: Pavel Rout

1. Nurturing growth together: farmers tending to young paddy plants under the warm sun

Consolation 1: Dibakar Bhakta

1. Harvest from estuarine set bagnet with macroplastics, a menace to the fishers at lower stretches of the Coastal Sundarbans, West Bengal. Plastic pollution wreaks havoc on the Sundarbans fisheries community, as it not only reduces the fish catch but also creates water pollution and, side by side, reduces the lifeline of the nets.

Consolation 2: Harshal Gawali

Ploughing for prosperity
